

**Kevin Fox**  
President/Owner

## Profile

Kevin Fox has over 25 years of hands on experience in the construction business. He currently holds General Contractor licenses in many states including Arizona, California, Colorado, Idaho, Montana, and Nevada.

He spends much of his time in the field giving every client and each project his personal attention to ensure the CWC standard of high-quality work and client satisfaction is maintained. Kevin continues to strive for excellence throughout the entire construction process.

While Kevin is recognized by clients and industry professionals alike for his comprehensive technical ability and exemplary performance, he continuously strives to expand his expertise and improve company policies and procedures. Kevin holds himself and his team to the highest level of accountability, building your success with every project.

## Experience

**Colorado West Construction, Temecula, CA**

As President and Owner, Kevin is responsible for managing a construction staff of over 50 professionals

This includes the following:

- Collaborate with AEC's and stakeholders to prepare CD's which meet the stakeholders needs and stay within budget, adding VE as needed and giving direction throughout the process
- Plan review and constructability, taking strategies from concept to turnover
- Proactively identifies and resolves issues with facilities and systems to ensure schedules are kept on track and quality projects are delivered
- Oversee project managers, superintendents, and administrative staff
- Cultivate business partnerships
- Developing the strategic vision of our company and implementing new, company-wide processes
- Complex negotiations and resolutions
- Quality and cost controls
